

# Bahamas Cruise-n-Stay

Here is a 5 Day/ 4 night Bahamas Cruise-n-Stay Vacation - First you take an Overnight Cruise to Freeport and then stay "On Island" for 2 nights then on fourth night get back onboard for your overnight return cruise back to Palm Beach, FL.

From the Port of Palm Beach you'll take the cruise ship: Grand Celebration for an overnight cruise to Freeport for only about \$240 per person.

[Be sure to check the cruise lines website ([www.GrandCelebration.com](http://www.GrandCelebration.com)) for their current sailing schedule - They sail every other day) and plan your vacation accordingly.] You will stay on the ship for 2 nights-the first and fourth night) and stay on island for the middle 2 nights at the: Flamingo Bay Hotel & Marina located at the Taino Beach Resort for a total vacation stay of 5 days (4 nights)

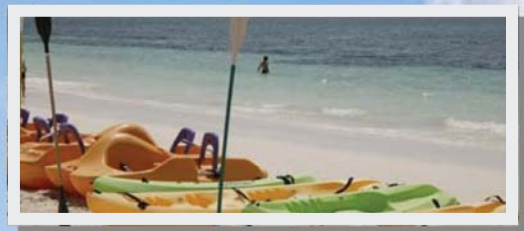

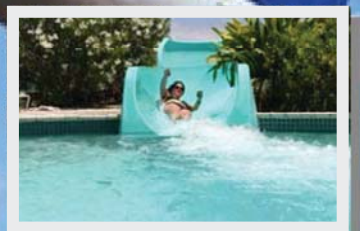

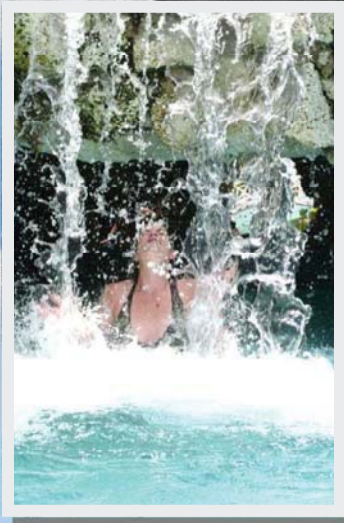

Or - If you want more time "On Island" - How about 3 nights "on island":

To get to Freeport in a couple of hours instead of over night take the Balearia Bahamas Express Ferry ([www.FerryExpress.com](http://www.FerryExpress.com)) every Tue, Fri & Sun morning from Port Everglades in Ft. Lauderdale. You can then stay for 3 nights on island at the Flamingo Bay Hotel and Marina. NOTE: Be sure to check the ferry's website for current sail dates as during much of the year, to take advantage of the full 3 nights on island stay, you may have to take a TUES sailing as the other sailings only have 2 nights between sailings. (Or you can fly home directly from Freeport and stay the full 3 nights.)

No matter how you get there, you will stay at the **Flamingo Bay Hotel and Marina** [Located at 7 Joly Roger Dr. at the Taino Beach Resort, Freeport, Bahamas]
